Coast to Coast Locations to Better Service Your Needs

INTERNATIONAL fpa brings well over 30 years of engineering and technology experience in introducing our new range of high performance Bushing and Bearing Gear Pumps / Motors. Units and parts are manufactured under strict quality standards, offering improvements over the existing O.E.M. products while maintaining full interchangeability.

INTERNATIONAL fpa is proud of its hard-earned reputation for producing top quality products to the Fluid Power Industry at substantial savings over its closest competitors.
